Notice

Subject: Examination Web Portal Login

Login IDs have been created for all the users in the examination web portal of the university i.e. https://www.sbsexam.edu.in. Each user is allowed to log in through two steps of verification:

Step 1: Inserting the password

Step 2: Inserting the Authenticator code

The necessary instructions regarding the login have already been circulated by the Controller of Examination.

Each login activity is assumed to be authentic. In case any login activity is done for any person, the concerned person will be personally responsible for any activity done on the examination website.

Hence, all concerned must maintain the secrecy of their login credentials.

Further, in case of forgetting the password:
- Students have to approach the concerned Head of Department for getting the login password.
- Staff / Faculty must move an application through the concerned Head of Department to the academic section for retrieval of the login credentials.

All concerned must note the same.
