ALUMNI SPEAK.....

Today, I stand here with a heart full of gratitude to express my sincere thanks to Shaheed Bhagat Singh State University, Ferozepur, Punjab and especially the Department of Mechanical Engineering, for providing me with this golden opportunity of placement at Toppan Speciality Films Pvt. Ltd. This achievement is not just mine-it is the result of the continuous support, guidance, and encouragement

Sarvjeet Kumar
Production Supervisor

My journey at SBS has been truly wonderful. The positive learning atmosphere, caring teachers, and outstanding facilities made my experience unforgettable. There are plenty of activities that help students enjoy campus life and develop new skills. You can become part of clubs, build strong friendships, and discover new opportunities. I believe you will learn, grow, and become a more confident and successful person.

Harish Sood
PWD B&R MOGA

I am sincerely grateful to SBS and all my teachers for providing meaningful education and practical knowledge during my Diploma in ECE (2009–2012). The guidance and support from the ECE Department helped me build strong technical skills and confidence for my professional journey.
Special thanks to the ECE Department for their continuous encouragement and dedication. The knowledge and values I gained here played an important role in shaping my career.

Suman Verma
Schneider Electric

My academic journey at ShaheedBhagat Singh State University provided exposure to a government-supported technical institution with a strong industry-oriented curriculum and student-centric environment. As a Chemical Engineering student, I gained practical and analytical expertise through laboratory training, technical activities, industrial exposure, and collaborative learning, which strengthened my technical, professional, and problem-solving capabilities for real-world engineering challenges.

Ankur Kataria
Toppan Speciality Films Ltd., Ropar

I am an alumnus of the Department of Chemical Engineering at ShaheedBhagat Singh State Technical Campus and appreciate its student-centric environment, experienced faculty, and advanced laboratories. The department provided strong industry-oriented learning, practical exposure, and academic guidance, which strengthened my technical and analytical skills. The Training and Placement Cell further supported my professional development and helped in securing valuable career opportunities and industry readiness.

Parshant Kumar
ION Exchange India Pvt. ltd. Hydrabad

It gives me immense pride to pen down a few words for Shaheed Bhagat Singh State University. My journey at SBS State University has been one of growth, learning, and unforgettable memories. The knowledge and values imparted by our esteemed faculty members laid a strong foundation for my professional life. I extend my heartfelt gratitude to all my teachers for their constant guidance and support throughout the four years.

Tushar Aggarwal (B.Tech ME) 2021

"My four years at this institution were truly transformative. The college provided a perfect blend of academic rigor and practical exposure that prepared me for the corporate world. I am immensely grateful to the faculty and the Training & Placement Cell for their constant guidance, which helped me secure a position as an Business Support Analyst at Zscaler. I am proud to be a graduate of the 2024 batch

Priynaka
Analyst Zsclaer

The years I spent at Shaheed Bhagat Singh State University played an important role in shaping my future. The university gave me a platform where I could improve not only my technical abilities but also my confidence and communication skills.

Tamana Verma
B.Tech ECE

PARENTS SPEAK.....

I sincerely thank SBSSU for the knowledge, guidance, and values given to my son. I truly admire the dedication and continuous support provided for my child's growth and learning. Your efforts have played an important role in shaping my child's future and building confidence in life.

Mr. Suresh Sood

As parents of an alumnus of the Department of Chemical Engineering at Shaheed Bhagat Singh State University, we appreciate the university's disciplined environment, quality technical education, modern laboratories, and industry-oriented learning approach. The department effectively develops technical competence, professional ethics, innovation, and practical skills through balanced academic rigor and industrial exposure, preparing students to become responsible, career-oriented engineers capable of addressing modern industrial and technological challenges.

Mr. Rakesh Kumar

I heartlyacknowledge the Department Chemical Engg. for its disciplined academic environment, experienced faculty, and modern laboratories. The structured, industry-oriented learning has supported Prashant Kumar's consistent academic growth, strengthening his understanding of core chemical engineering concepts along with analytical and problem-solving skills through practical exposure. The guidance and placement support have further.

Mr. Rakesh Kumar Singh

It is a matter of great pride to be associated with Shaheed Bhagat Singh State University. The university provides students with excellent academic guidance, practical exposure, and strong values that help shape their future. I sincerely appreciate the efforts of the faculty and the Training & Placement Cell in preparing students for successful careers.
Wishing the university and its students continued success and bright achievements ahead.
Warm regards,

Mr. Vinay Kumar Aggarwal

"As a parent, there is no greater joy than seeing your child excel. I am extremely proud of my daughter Priyanka's journey and her placement at Zscaler. The university's commitment to providing a safe, nurturing, and professional environment has been remarkable. We are truly thankful to the teachers and staff for their individual attention and support."

M/o Priynaka

As parents, nothing makes us happier than seeing our daughter becoming confident, skilled, and independent. We sincerely thank Shaheed Bhagat Singh State University for giving her the right environment to learn, explore, and move closer to her dreams.

M/o Tamana Verma

I am an Architect and proud alumnus of Shaheed Bhagat Singh State University. Currently, I am professional practicing architecture in Faridkot, working on a wide range of architectural and consultancy projects while also collaborating with foreign clients, which has provided me with valuable international exposure and professional experience.
I am registered with the Council of Architecture (COA), Bathinda Development Authority (BDA), PUDA, and Municipal Corporations across various districts of Punjab.
In addition to my professional practice, I am also serving as a Visiting Faculty member at Shaheed Bhagat Singh State University. It is both an honor and a privilege to contribute to the academic

MINISTER'S MESSAGE

In today's technology-driven society, it is undeniable fact that the university education plays a comprehensive role in human development. The universities of 21st century, while producing knowledge and skilled graduates with excellent value system must ensure that they contribute to the social, cultural and economic development of the country and bring about a constructive change at all levels. This reinforces strong role of institutions in enriching the student community and thereby creating both a better society and a better tomorrow for all the stakeholders.

Education in general and Technical education in particular, is perceived as pivotal for the economic development of a nation as well as creating knowledge based economy. It empowers the youth to choose their direction of life allows them to reinvent and contribute immensely to their capacity to influence the world around. The state government is committed to ensure quality technical education which is affordable and accessible to youth to create an inclusive and just society. We are expanding Technical education in our state, as our dream is that our youth should be skilled and self- reliant and possess qualities of a good entrepreneurship so that new doors of employment get opened for them in the country and abroad.

Thus, an educational institution has a profound role to play in the building of a nation, a society and an individual. In this context, Shaheed Bhagat Singh State University, Ferozepur (SBSSU) has made a mark in the education landscape. The hallmark of this university is its commitment in offering socially and economically relevant academic programs to meet the regional, national and international needs for a meaningful education. I firmly believe that SBSSU, continues to advance in the right direction, offering a comprehensive education to the next generation, and contributing to the development of the state as well as nation at large besides successfully accomplishing the aspirations of all the major stakeholders.

I am highly appreciative of this university for its unmatched commitment and dedication in the pursuit of excellence in academics through multidimensional approach and carving an atmosphere conducive for the students to be transformed as successful professionals. I also encourage all the students of this university to embrace the opportunities that come their way, work hard, be curious, and always remember that their potential is limitless.

Introduction

1.01 The Historical Background

Initially the University was established by the Government of Punjab in 1995 with the name 'Shaheed Bhagat Singh College of Engineering &Technology' as a tribute to the great martyr Shaheed Bhagat Singh. In the academic year 2011-12, it was upgraded to the status of a state technical campus and rechristened as "Shaheed Bhagat Singh State Technical Campus, Ferozepur". In the academic year 2021-22, it was upgraded to "Shaheed Bhagat Singh State University". The university is fully promoted by the Punjab Government and is registered as a Society under the Societies Registration Act 1860. Its affairs are administered by a Board of Governors. The State University, with its lush green state-of-the-art facilities spread over 98 acres is situated on Ferozepur-Moga Road, about four Kilometers away from the Ferozepur City.

The City, Ferozepur

The city, Ferozepur is situated on the Indo Pakistan International border. It is well connected by road and rail with important cities like Amritsar, Ludhiana, Jalandhar, Chandigarh, Delhi and rest of the country. As per the annals of history, Ferozeshah Tughlaq founded the city in the fourteenth century. However, it is also believed that its founder is Ferozekhan, one of the Bhatti chiefs. Having a rich heritage, it indeed has maintained its name. In the undivided India it has been a centre of trade and commerce. Ferozepur, with numerous holy shrines, historical places and memorials in and around, has earned a rare status. The hallowed Samadhis of the martyrs Bhagat Singh, Rajguru and Sukhdev, the Saragarhi Gurudwara commemorating the heroic sacrifice of twenty one Sikh soldiers at Saragarhi post in Baluchistan and the Jain Swetambar Temple at Zira constructed in 1890 A.D. are some of the places of pilgrimage showing the spirit of universal brotherhood.

1.02 Statutory Authorities and Other Committees

The Statutory authorities of the State University are

a) Shaheed Bhagat Singh College of Engineering and Technology Society and
b) The Board of Governors

To take care of other important administrative and financial matters of the State University, the Board of Governor has constituted other various committees.

1.05.23 Post- Matric Scholarship Scheme (PMSS)

Post-Matric Scholarship Scheme (PMSS) is a Centrally Sponsored Scheme and it is implemented through State Governments and UT administrations. The Scheme provides financial assistance to the Scheduled Caste students studying at post matriculation or post-secondary stage to enable them to complete their education. These scholarships are awarded by the government of the State/Union Territory to which the applicant actually belongs i.e. where he/she is permanently settled.

As per the PMSS guidelines, for all the newly admitted SC/ST students under PMSS Fee category, it is mandatory to fill and submit the Freeship card at the time of admission.

Assistant	:	Mr. Ajay Kumar, Lab Attendant (EE)

1.05.24 Internal Quality Assurance Cell (IQAC)

The IQAC of the university has been formulated for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the University. The formulated IQAC serves to channelize and systematize the efforts and measures of an institution towards academic excellence. . The formulated IQAC is working out intervention strategies to remove deficiencies and enhance quality, to establish & effectively implement an effective quality system encompassing teaching, research, consultancy, continued education and also focus on the core and support functions to ensure accountability to stake holders through

self-evaluation and continuous improvement. The committee functions for quality enhancement through internalization of quality culture and institutionalization of best practices. It aims to promote various Quality Assurance activities through innovative teaching practices among the staff and staff development, NAAC, NBA Accreditation, organize relevant Seminars, Workshops, Industrial and Educational visits for students.

2 Academic Wings at a Glance

The academic activities of the SBS State University have been divided into six academic wings offering various courses at Graduation, Post Graduation and Doctoral Research levels as follows:

1. Engineering Wing
2. Agriculture
3. School of Architecture
4. Computer Applications Wing
5. Polytechnic Wing
6. School of Commerce and Business Studies

Overview of all the Academic Wings, their departments and the Courses offered are summarized in following sub-sections:

2.01 Engineering Wing (EW)

The Engineering Wing (EW) offers AICTE approved undergraduate programmes leading to B.Tech degree in six disciplines namely Chemical Engg., Computer Science & Engg., Electrical Engg, Electronics & Communication Engg., Civil Engg. and Mechanical Engg. and Postgraduate programmes leading to M.Tech degree in disciplines namely Computer Sc. & Engg., Electronics & Communication Engg., Electrical Engineering and Mechanical Engineering. Students are admitted in B.Tech course on the basis of merit as per the instructions of SBSSU/ Punjab Govt. An additional 10% of the sanctioned intake in each course is admitted to the second year of B.Tech. on the basis of merit of three year Diploma courses as per SBSSU guidelines. All the EW courses are affiliated to SBSSU University, Ferozepur and recognized by AICTE. The academic year is divided into two semesters, July to December and January to May. University examinations are held at the end of each semester.

2.02 Department of Agriculture:

The university also offers Bachelor of Vocation [B.Voc.] Agriculture, an undergraduate course that focuses mainly on agricultural science with intake of 60 seats and B.Sc Food and Nutrition with an intake of 30 seats. The course duration of B.Voc. Agriculture is 3 years. This degree deals with disciplines like- Agricultural Microbiology, Soil Science, Genetics and Plant Breeding, Plant Pathology, Food Microbiology etc. The eligibility criteria for B.Voc Agriculture course is 10+2 from a recognized board in any stream . Since Agriculture is the backbone of our country, there will be an evergreen job scope for B.Voc Agriculture course in India. Agricultural officer, Agriculture Research Scientist, Agricultural Analyst are some of the popular jobs one can get after completion of B.Voc Agriculture course.

2.03 Architecture Wing

School of Architecture, SBS State University, Ferozepur was established in the year 2015 and is duly recognized by the Council of Architecture, New Delhi. It is offering 05 years course of Bachelor of Architecture (B.Arch.) with affiliation to SBSS University with annual intake of 10 seats, B.Planning (Infrastructure) with intake of 20 seats and B.Voc (Interior Design) with the intake of 30 seats . Architecture is a great field of study for those who are artistically talented and interested in creative design and the built environment. Our Bachelor of Architecture program allows students to tap into their creative talents, introduces them to the challenging world of building design and construction and prepares them to become change agents of the future.

2.04 Computer Applications Wing

Computer applications Wing was established in the year 2010 with an objective to provide quality professional education in the areas of Computer applications. This academic wing has been housed in Block-F that has all modern facilities for conducting graduation (BCA) of three years duration, post graduation course (MCA) of two years duration and post graduate diploma course (PGDCA) of one year duration. BCA and MCA courses are AICTE recognized and affiliated to SBSSU, Fzr. The academic year is divided into two semesters, July to December and January to May. The examinations are held at the end of each semester.

2.05 Polytechnic Wing (PW)

The Government of Punjab established Polytechnic Wing in the year of 2009 under the NABARD scheme in the erstwhile SBSCET, Fzr with an objective to make optimal utilization of existing available resources and to accelerate the development process of the state in general and this border region in particular. Polytechnic Wing is housed in Block-D. It offers AICTE recognized three year diploma programmes in four engineering streams. The academic year is divided into two semesters, July to December and January to June. The examinations are held at the end of each semester. The examination schedule, eligibility to appear in the examination etc. are prescribed by the Institute. All the branches of Polytechnic Wing are recognized by AICTE, New Delhi. 10% additional seats for direct admission to 2nd year for diploma holder students through lateral entry scheme.

2.06 Commerce and Management Wing

University has established Commerce & Management wing of with following courses.

1. B.Com - 120 seats
2. BBA (Bachelor of Business Administration) - 60 seats
3. MBA (Master of Business Administration) - 30 seats
4. PGDBM (Post Graduate Diploma in Business Management) - 30 seats

The head of the department is Dr. R.P. Singh, Professor, DASH department.

3 Departments, Faculty Members and Facilities

3.01 Department of Applied Sciences and Humanities (Engineering Wing)

This Department comprises of sections of Applied Physics, Applied Chemistry, Applied Mathematics and Humanities. Following are the specific objectives of this department:

- To teach basic science & humanities courses at UG, PG & Doctoral levels.
- To train manpower with a view to protect environment and optimal utilization of engineering materials for meeting the ever growing demand of environmental friendly technologies.
- To inculcate and pursue the spirit of R & D in engineering graduates, science post graduates and doctoral students.

3.02 Department of Mechanical Engineering (Engineering Wing)

The Mechanical Engineering Department of SBS State University has served as a role model for many engineering university in the region. A large number of the graduates who have passed out from this department occupy senior positions in various engineering industries all over India (and even abroad). A competent and professional team of 16 full time faculty, mostly having Ph.D. and M.Tech. qualifications from reputed universities, is backing up the steady growth and development of this department. The department has sixteen Laboratories fully equipped with latest equipment and a strong team of supporting staff to provide strong and active support in the smooth functioning of the different Laboratories. The Laboratories are equipped to carry out research in all areas related to Mechanical, Production and Industrial Engineering.

3.03 Department of Computer Science and Engineering (Engineering Wing)

Considering the high expectation of the ever challenging industry, CSE department promises to transform the students into innovative and dynamic professionals. There has been a rapid growth in the infrastructure of the department since its inception in 1996 and there has been no looking back. The department has well established computer labs in addition to computer centre in which the practical knowledge of programming, networking, operating systems etc. is imparted to students. The department has produced quality computer professionals who are employed in Public, Private and Educational sectors all over the nation and aboard bringing good name to their alma mater.

Following are specific objectives of the department:

- To provide knowledge of modern computing systems as well as sound theoretical background to meet evolving needs of students.
- To achieve excellence through exploration of ideas, their interpretation, application and dissemination of knowledge.
- To provide a vibrant academic environment to produce knowledge based research oriented professionals.
- To strengthen research activities.
- To foster strong industry-university interaction.

3.04 Department of Electronics and Communication Engineering (Engineering Wing)

The ECE department offers regular undergraduate (B.Tech) and postgraduate (M.Tech) courses in Electronics and Communication Engineering for last more than 20 years. The department is also offering B.Sc. Computer Applications and Electronics, B.Sc (Honours) in Applied Physics, Minor degree in Internet of Things (IoT) to place our students in esteemed multinational and international related industries. The department has a prestigious history of placing the students of ECE in renowned multinational companies (in National and abroad), Public sector undertakings (PSUs), Government establishments, for instance (Ericsson, Bel, TCS, Infosys, Accenture, Wipro, ISRO, DRDO and many more) through campus placement

drives. Department is having its own society for students names as "Society of Electronics & Communication Engineers" to organise various technical, co-curricular and extracurricular activities for the overall development of students.

The department has well-established Labs for the practical exposure of its students. The curriculum of the department is designed to provide its students an exposure of all the fields of Electronics and Communication Engineering. After satisfying broad basic requirements, students may choose advanced elective courses for more focus and breadth. Following are the specific objectives of this department:

- To develop high quality, professionally groomed technical and engineering manpower
- To be dynamic, innovative and flexible in devising courses to meet the latest technological challenges.
- To act as a facilitator for knowledge generation and dissemination through Research, Institute-Industry and Institute-Interaction.
- To establish a center of excellence in the areas of "Microprocessor" & "Communication Systems".

Department of Electronics and Communication Engineering of SBS State University, Ferozepur is running undergraduate (UG) as well as Postgraduate (PG) programs as follows:

The department runs B.Tech. Chemical Engg. course since 1996.The present course intake is 15 seats. The department also started a new course of B.Sc in Environmental Sciences in the year 2022 with an intake of 30 seats. The department offers all the necessary facilities and opportunities to the students for developing them professionally and academically. The students of the department have already proved themselves in the professional world, being placed in esteemed industrial houses like Lurgi India, McKenzie, Reliance, Glaxo- SmithKline, NFL, Hindustan Uniliver, Max India, Gujarat Florochemicals, IOCLetc. All the faculty members of the department are highly qualified. All the Laboratories in the department are well equipped.

3.06 Department of Electrical Engineering (Engineering Wing)

Sensing the growing demand of Electrical Engineers due to growth in Power Sector and other electrical industries, the department of Electrical Engineering was established in year 2003. Right from its inception, the department is continuously striving for excellence through development of Laboratories and all necessary infrastructures. The specific objectives of this department are to provide a right combination of practical and theoretical knowledge to its students and to achieve excellence through exploration of ideas, their interpretation, application and dissemination of knowledge.

3.07 Department of Civil Engineering (Engineering Wing)

One of the primary engineering departments of the Shaheed Bhagat Singh State University, Ferozepur (Punjab). Department of Civil Engineering was established in the year 2011. Since then department offers regular academic course of B.Tech. degree in Civil Engineering with an annual intake of 60. The Department actively promotes curriculum development activity by updating existing courses, developing new courses and preparing resource material for teaching. The expert faculty members are involved in several basic and applied research works, many of which also get translated to solve various challenging issues of the society at large. The department is also providing consultancy to various governmental/private organizations in Structural/ Geotechnical/ Highway/ Surveying/ Environmental Engineering.

3.08 Department of Computer Applications Wing

With an aim to produce professionals known for their innovation, imagination, synthesizing and analytical competence, scientific intellect and business competency, departments of Management; Information

Technology and Computer Applications came into existence in 2010. The various graduation and post-graduation programs offered by these departments provide a perfect platform for creating managers and IT professionals who will cater to the demand of Indian industrial sector. These programs groom the students into professionals through their academic and multifaceted personality development.

3.16 Department of Agriculture

The university also offers undergraduate courses of Bachelor of Vocation (B.Voc. Agriculture) and BSc (Food and Nutrition) with intake of 60 and 30 seats respectively. The course duration of both these courses is 3 years.

B.Voc. Agriculture deals with disciplines like- Agricultural Microbiology, Soil Science, Genetics and Plant Breeding, Plant Pathology, Agronomy, Horticulture etc.

Bsc Food and Nutrition is a comprehensive program that integrates the science of food with human nutrition, empowering students to build healthier communities and sustainable food practices.

Above courses provide scope to the graduate students to join Government and private undertakings.

4 Central Facilities and Amenities

4.01 Carrier Development Cell (CDC)

SBSSU has constituted an active Carrier Development Cell (CDC) that continuously works for campus placements of students as well as for arranging their industrial training. The Cell has been instrumental in placing a large number of students at various corporate positions of the industries of repute. The TPO is a multifaceted body that includes representatives of faculty members and students of each department.

The CDC has developed a far reaching mechanism to monitor and guide industrial training programme of State university students and takes proper feedback from industry about students' performance. With this feedback, the TPO continuously apprises the respective departments about current & latest needs of industry who henceforth chisel their students accordingly. The cell has developed a symbiotic relation with the corporate world and visualizes this association to touch dazzling heights. It aims to reach the moment when every single passing out student of SBSSU becomes the most sought after asset to be owned by the industry.

The students of our Campus have been placed in many companies of repute like Infosys, Accenture, TCS, HP India, IBM,Wipro, International Tractors [Sonalika], Nestle India Ltd., HCL, Hero Cycles, Genpact, Capgemini, Cognizent, Padmini VNA Mechatronics Ltd. Sopra Steria, BEL, Reliance Jio Paltforms, Rockman Industries Ltd, Metro Tyres, Deloitte, Berger Paints, Qspiders, Zscaler ,VVDN, Advance Technologies, Indigo, 75way Technologies, Toppan Specialty Films, SAEL. In addition, our students are also placed in Indian Army, Indian Navy, Indian Air Force, PSPCL. Some students are also working in different government departments as I.A.S., P.C.S. and I.E.S. officers.

4.02 Innovation & Startups: From Concept to Company

Our campus is a thriving hub for creativity, supported by the AICTE-approved Institute Innovation Cell (IIC) and the National Innovation and Startup Policy (NISP). Our mission is to:

Foster a Culture of Innovation: Empowering students and faculty to think beyond the textbook.

Connect with Industry Leaders: Regular summits and workshops featuring top-tier entrepreneurs.

Build an Ecosystem: A dedicated environment designed to nurture and scale your startup ideas.

Engage the Community: Spreading awareness about the vital role of innovation in modern engineering education.

Leadership Team:

President, IIC: Mr. Japinder Singh, Associate Professor ,CSE
In-charge, NISP: Dr. Dharam Pal Kashyap, Associate Professor, ME

4.03 Central Library

Progress in this information age depends largely on front line knowledge/information gained by educationists, technologists, engineers and scientists and library plays a key role in dissemination of information. The flood of literature, shrinking resources, escalation of prices has made it impossible to get all information at individual level. So, at this stage, the library comes to the rescue to its users. Central library of the State university has an adequate number of books to meet the present requirements

of the students and staff in the subjects and fields of the ongoing courses. Around 35,000 text-books and reference books have been procures in various streams of science, Engineering, Management & Humanities. For topical awakening of students and staff, it subscribes to 8 Local and National Newspapers, 26 Serials/periodicals and 69 Journals of national & International standard covering all fields of Engineering and Management and many e-journals such as Computer Science e- journals, ASPP, DELNET etc.

Library is procuring books on regular basis also, it hold book display at regular interval. Library having various section ,i.e. Reference Section ,Text Book Section, Book Bank Section, Circulation Section, Newspaper, News Letter, Journals, Magazines Section, CD-ROM facility

Librarian — Mr. Tej Pal Verma

4.04 The Digital Heart of Campus: Our Computer Centre

Experience a world-class computing environment designed for your academic success. Our centrally air-conditioned, ergonomic Computer Centre features 75 state-of-the-art workstations, providing a comfortable space for research, coding, and collaborative learning.

- Elite Connectivity: Powered by a high-speed leased line and the National Knowledge Network (NKN), our campus offers seamless internet across 98 acres—including all hostels and common areas—supporting over 3,000 devices.
- Security First: Work with peace of mind. All systems are protected by Sophos Unified Threat Management (UTM) to ensure a safe, malware-free browsing experience.
- Comprehensive Tools: Access pro-grade peripherals, including laser printers, scanners, and high-speed Wi-Fi, available throughout the academic session.

Head of Department : Mr Japinder Singh, Associate Professor CSE
Faculty : Mr Anil Kumal Bansal, Associate Professor
Technicians : Mr Atul Chand
Mr Heera Lal

4.05 Central Workshop

The Central Workshops of the State University comprise of 8 shops namely Machine, Molding & Foundry, and Sheet metal, Electrical & ECE, Black Smithy, Welding, Fitting, Carpentry & Pattern and Heat-treatment. All the shops are well equipped with latest machines and tools. It is being used for imparting practical training to students on basic manufacturing processes and also used for fabricating minor & major projects for students along with practical work related with M.Tech. and Ph.D. and other development works as side activities. There is highly experienced staff for the training of the students.

Workshop Superintendent — Mr. J.K Aggarwal, Associate Professor, ME
Foreman Instructor — Mr. Parminder Pal Singh

4.06 Medical Facility

The State university has a Health Centre to provide basic medical facilities. It acts as a centre for medical help to both students and staff. At present it is having a qualified doctor (part time) and requisite para-medical staff to ensure efficient in-house medical facility.

Pharmacist — Mr. Madhav Gopal
Staff Nurse (Male) — Mr. Kamal Bhatti

4.07 Transport Facility

For various official activities, the State University has two busses, Toyota Innova and Mahindra Xylo. University also has a tractor of its own for various miscellaneous needs and maintenance activities having of vehicle.

Transport Officer — Mr. J.K Aggarwal, Associate Professor, Mechanical Engg.

4.08 Boys Hostels

The State University has 4 hostels for boys namely Satluj Bhawan, Ganga Bhawan, Beas Bhawan and Yamuna Bhawan. Following are the main features of these hostels:

- Satluj Bhawan and Ganga Bhawan have 91 dormitory rooms each with a capacity of 3 to 4

students, while Beas Bhawan has 202 double seater rooms &Yamuna Bhawan has 40 rooms.

- Each Hostel has a TV room with DTH connection, a guest room, a room for-in-door games, badminton court, are creation cum reading room and computer Lab with internet facility.
- Each hostel has a warden office and a manager's office for its smooth functioning.
- Each hostel is running a co-operative mess. Students themselves ensure the quality of the food served, decide the menu and manage all the matters.
- The reading room of each hostel subscribes many magazines and newspapers.
- Beautifully landscaped lawns are developed in front of each hostel providing students eye-soothing and refreshing surroundings.

4.09 Girls Hostels

The State University has 2 hostels for girls namely Saraswati Bhawan and Mata Gujri Bhawan. Mata Gujri hostel have 40 dormitory rooms each with a capacity of 3 to 4 students. These rooms are well spaced and properly furnished. The hostel has a TV room, a guest room, room for in-door games, and a recreation cum reading room. It also has a warden office and a separate warden house. The hostels are also provided with a well equipped gym. A 24 hour back-up supply of separate generator is provided to the hostels. Beautifully landscaped lawns are developed in the hostels providing students an eye soothing and refreshing surrounding. Two badminton, one basket ball and one valley court is also provided in the hostels.

Warden (Saraswati Bhawan)	Dr. Parampreet Kaur, Assistant Professor, CE & Mata Gujri Bhawan
Assistant Warden	Mrs. Parveen Bala, CSE

4.10 Maintenance Cell and Central Power Station

To look after the maintenance activities of the State University in a streamlined manner, the State University has a dedicated maintenance cell comprising of four sub-sections namely Carpentry, Plumbing, Electrical and Masonry. The State University also provides power back up facility to students with two generators of 250 KVA and 125 KVA.

Officer In charge, Civil Maintenance	Mr. Jaswinder Singh, Lab. Supdtt
In-charge Civil Maintenance	Mr. Surinder Singh (Tech Grade-I)
Officer In-charge, Electrical Maintenance	Mr. Parminder Pal Singh (FI)
In-Charge Electrical Maintenance	Mr. Rajinder Singh (Tech Grade-II)
In-Charge Store Electrical maintenance	Mr. Sanjeev Kumar (Jr Tech)

4.11 Market Complex

To cater to the everyday needs of students, staff members and their families residing in the staff colony, State university has a shopping complex located in the center of academic area, hostels and staff colony. It includes a grocery shop, a stationary shop, a photo-state shop, a confectionary shop, and a fruits & vegetables shop. The quality of services provided by shopkeepers is duly monitored by State university authorities.

4.12 Canteen Facility, Nescafe Outlet and Verka Booth

Market complex also houses canteens and a Nescafe outlet for providing fresh and hygienic food items to students. Students can enjoy snacks and relax in the heavily wooded lawn situated in the area between canteen and Nescafe outlet. Various milk products of Verka are also made available to the students in the Verka booth in front of academic blocks.

4.13 Gymnasium

State university boasts of a state-of-the-art gymnasium. For the benefit of University Campus residents timings for boys, girls and staff are scheduled separately.

4.14 Bank and ATM

Branch of State Bank of India is located in the Market Complex. ATM of the same bank is also available for 24 hour cash withdrawal facility on the main gate of the State University.

4.15 Guest House and Hostel Guest Rooms

State university Guest House is situated in staff colony. Its services are mainly utilized for official guests of the State university. Apart from guest house, one guest room is also available in each hostel. Hostel guest room facility is available for student's benefit at nominal rents as per hostel rules.

4.16 Staff Colony

SBSSU has a unique distinction among all the engineering state universities in Punjab that almost its entire regular faculty stays inside the campus. The staff colony has six categories of houses, a children's park and all the necessary facilities and amenities for a pleasant stay of staff residing there.

4.17 ERP- Cell

ERP- Cell has been established in the university to automate day to day working of the university. This will make the working of the university paperless. ERP–solution provide online information to all students, faculty and staff regarding exams, salary and income-tax etc. All students are able to view their performance through ERP-Solution. Attendance of all staff & students is marked using Biometric machines.

4.18 Skill Development Initiative (SDI) Scheme

Skill Development Initiative (SDI) Scheme is a Punjab Govt. initiative to provide skill training to unemployed youth, school drop-outs or present workers who are working in the informal sector on low wages. It aims to reduce unemployment by providing quality training. SBSSTC has been registered as a vocational training provider (VTP) under this scheme to run various training Co- coordinator

5. Platforms for Student's Multifaceted Development

5.01 Society for Extra Curricular Activities (SECA)

Engineer as the world stands, means a professional, and a professional should never and never be a bookworm. He/She must have a well groomed persona with multi dimensionally developed skills in his armory. Keeping this in view the State university has given its students (the future Engineers) a mega platform namely Society for Extra Curricular Activities (Abbreviated as SECA) to give them abundant opportunities to develop their interpersonal skills and explore their creativity and innovation. Students are given a chance to plan, co-ordinate and manage the events themselves as it was thought that mere participation did not solve the purpose for which SECA was formed. To achieve its goal, a student body is formed every year at the start of the session by the Faculty In-charge and Secretary of the society. To cater to various aspects of a student's personality, SECA has been segmented into four sections:

1. **PERSONALITY DEVELOPMENT:** This section looks after activities which help in overall development of the personality of the students like developing oration skills, improving communication skills etc.
2. **CULTURAL ACTIVITIES:** These activities play a pivotal role in keeping the students rejuvenated and refreshed. These activities infuse the spirit of enthusiasm & rapturous jubilation in their cumbersome daily routine. It also gives them a platform to polish their artistic abilities.
3. **HOBBIES DEVELOPMENT:** The section of hobbies development brings to light and develops the hidden facets of one's life through numerous activities like painting, poetry, sketching, pottery, Rangoli making etc.
4. **MOKSHA - THE MUSICAL TROUP:** It nourishes the musical, instrumental and vocal talents of the State university.

All the activities mentioned above are organized regularly throughout the year.

"JASHAN"-THE ANNUAL CULTURAL FEST: It is the annual cultural extravaganza, the heartthrob of all the students of the State University, which is organized every year.

Coordinator	Mr. Munish Kumar, Associatet Professor, ME
CO-coordinator	Dr. Sukhjinder Singh Sandhu, ME

5.02 Indian Society for Technical Education Students Chapter (ISTE)

The Indian Society for Technical Education (ISTE) is a national, professional, non-profit making Society. First started in 1941 as the Association of Principals of Technical Institutions (APTI), it was converted into Indian Society for Technical Education" in 1968 with a view to enlarge its activities to advance the cause of technical education. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The Ministry of Human Resource Development, CTE/DST/MIT/State Governments are associated with ISTE to provide a technical platform to the engineering students to enhance their technical knowledge. The ISTE student chapter of SBSCET, Ferozepur has been organizing National level Technical-fests with the name of TECHNO-OPUS and CHAZZANS every year. These technical-fests motivate students to expose their hidden talents with their splendid and brilliant flair along with to enhance their professional ideals & standards. These national level events are designed with a mixture of technical and non technical events and only for the technical development but also for personality development of students. The ISTE (students) of SBSSU, Ferozepur is on its way to produce technical professionals to be a part of future technical world.

Chief Co-ordinator ISTE (Student Chapter)	Dr. Sanjeev Dewra, Associate Professor, EC
Co-ordinator	Mr. Retaish Uppal , Lecturer, ME

5.03 Association of Revolutionary Engineering Bees (AREB)

For a student it is essential to have well groomed personality with multi dimensional development of various skills in his armory. Keeping this in view the State university has given its diploma students a platform namely AREB to give them opportunities to build their personality so that they can stand in front of the world to beat it. Student are given chance to plan, co-ordinate and manage the events themselves with an aim to help in developing their skills.

Chairman	Mr. Rahul Chopra, Lecturer, ME

5.04 Departmental Technical Societies

State university has eleven department wise technical societies to chisel the technical skills of students in their respective fields. These societies aim to augment zeal of learning and to keep its members abreast of the latest developments in their technical fields. These societies aim to transform its members into perspicacious and innovative individuals besides improving their technical know-how, logical and analytical skills. For overall pruning and chiseling of personality of students, they regularly organize activities like Technical exhibitions, General/ Technical Quizzes, Group Discussions, Debates, Declamations, Seminars etc. at State university level. All the departmental societies and their Officer In charges are as tabulated below:

5.05 Manthan: The Annual Magazine

To hone the literary skills of its students State university provides a platform in the form of its Annual Magazine namely Manthan, which is published annually and includes literary work of students in three sections viz. Punjabi, Hindi and English. Various activities involved in publishing of the Magazine are managed by a team of students under the guidance of a team of faculty members.

5.06 Veronica: The Bi-Annual Newsletter

State university brings a half-yearly newsletter by the name Veronica. Its issues are released in the months of January and July Veronica is published to meet the following objectives

- To keep students, faculty and staff of the State university abreast with their achievements and happenings in the campus.
- To provide such students who have a flare for journalism, reporting etc. a platform by extending them an opportunity to manage all the affairs of the State university newsletter.

5.07 Reminiscences: The Souvenir

The State University brings forth Souvenir- "Reminiscences" with the noble objective to preserve the memories of the passing out batch of Graduating Engineers. This memento serves as a handy means to make a sojourn into the memory lanes in the world of nostalgia of sweet and sour memories of the past four years stay in the campus. The souvenir being published is reminiscent of their excellent association with the past to sustain the vibrant image of their alma mater.

Incharge	Mr. Sandeep Singh, Assistant Professor, B.Arch.

5.08 National Service Scheme (NSS)

This State University has been allotted 2 units of NSS in Engg Wing. Each unit has an intake of 200

student volunteers. The central theme of NSS activities is to make students understand that their first duty should be, not only to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but also for preparing themselves for final dedication in the service of those on whose back they are resting. To accomplish this goal, it is sought to arouse the social consciousness of students and provide them with opportunity to work with the people around the educational campus creatively and constructively and to put the education they receive to concrete social use. In fact, the primary aims of the scheme are to enable the students to upgrade their personality and experience through community service. The motto or watch word of NSS is "NOT ME, BUT YOU". This expresses the essence of democratic living and upholds the need for selfless service and appreciation of the other man's point of view and also to show consideration for fellow human beings. NSS units of the State university organize cleanliness camps, blood donation camps, seminars and educational trips to fulfill the mission of NSS. Among NSS volunteers one boy and one girl is selected as Group leader per batch per unit. NSS volunteers are awarded with certificates and general fitness marks as per their performance in NSS activities. NSS volunteers have an opportunity to attend adventure camps, cultural programme camps organized by PTU.

Nodal Officer, Unit-I	Mr. Jasvir Chand, Technician Grade II
Nodal Officer, Unit-II	Mr. Rahul Chopra ,Lecturer ECE, Poly-wing
Nodal Officer, NSS Unit, Polywing	Mrs. Aruradha Rani., Lecturer CSE,Poly-wing

5.09 National Cadet Corps (NCC)

NCC is compulsory for completion of the B.Tech. Degree as per the new ordinances of, IKGPTU Jalandhar. The State university has one (01) NCC sub unit run for boys and girls by 13 Pb Battalion Ferozepur. To enhance the confidence level and to fill the students with the patriotic feelings, the State university has applied for new platoons. The SBSS University is drawing its attention by providing such challenging activities in its campus to the technical students to be a important part of Indian defensive wing. NCC lays a sound foundation to enter into the field of Defense. Besides this, the additional marks are included in almost every technical interview for every NCC cadet, especially, during the recruitment of Defence officials.

Associate NCC Officer	Dr. K Sunil Behal, Assistant Professor, DASH

5.10 Eco-friendly Group

It is a group of eco-friendly and environmental conscious students which take up activities like tree plantations, anti-polythene campaigns and good housekeeping of State university and hostels etc.

Officer In-charge	Mr. Gurpreet Singh, Lab. Supdt.

5.11 Games and Sports

Participation in games and sports activities and competitions has tremendous potential for better education of humans, especially the children and youth. Participation in physical education & sports ensures better health of the people and has preventive function against various illness and diseases of the present day man who is becoming more and more physically inactive. Sports serves as a very good means of recreation for the modem civilization which is becoming increasingly prone to psychological stress of modern day living and work condition. For the proper utilization of leisure time State university have a vast lush green play' fields measuring 245x245 meter. In this area playgrounds such as 400 meter, athletic track, hockey ground, basketball ground volleyball. All the playgrounds are watered with water sprinkling system. The facilities of cemented courts for lawn tennis and badminton are also available. Indoor games like carom, table tennis, chess are available in each hostel. The State university has started fitness centre in the campus.

Sports Incharge Girls	Mrs. Navdeep Kaur, Assistant Professor
Sports Incharge Boys	Mr. Talwinder Singh
Sports Incharge PW	Mr. Rajesh Singla, EE (PW)

5.12 Student Advisory System

State university follows advisory system in which a group of 15-20 students are allotted to advisors chosen by Chief Counselor (appointed by the Registrar of the State university). Advisors/Mentors act as Counselors for their group of students. Their functions include mainly providing guidance and encouragement to students to build up a balanced personality. They are also supposed to apprise students about rules & regulations of the University/ State university and amendments there in from time to time. Advisors are to act as local guardians for their group of students apart from acting as link between the State university and students, if there is a need. In a nutshell Advisors (necessarily a faculty of the State university) act as MENTORS for their group of students. Chief Counselor makes sure that Advisory System is being followed in the right spirit.

Chief Counselor — Dr. Kiranjeet Kaur,Professor, DASH

5.13 Webmaster's Group

The Webmaster's group is formed by selecting a group of students who have exceptional skills and flare for making and managing websites. Through this platform they get an opportunity to further sharpen their skills by developing and managing the State university website.

Coordinator — Mr. Amardeep Chopra, Assistant Professor, Computer Practice

5.14 SBSCET Alumni Association

An Alumni Association of Ex-Students of SBSCET, Ferozepur has been registered under the name of 'SBSCETians'. The various objectives of the Alumni Association are:

- To arrange a meet of all the Ex-students of the State university from time to time.
- To arrange career guidance seminars for the State university students by inviting Ex-students of the State university.
- To create a link between current students and Ex-students of the State university so that they can take valuable guidance regarding their Industrial trainings as well as placements
- To work for the over upliftment of the State university by seeking contributions/ suggestions from the Ex-students.
- To help State university authorities for arranging convocations of the passed out students from time to time for awarding Degree/Diploma certificates.
- To construct Alumni House for the Ex-Students for their accommodation in the State university campus.

5.15 Shaheed Bhagat Singh Society

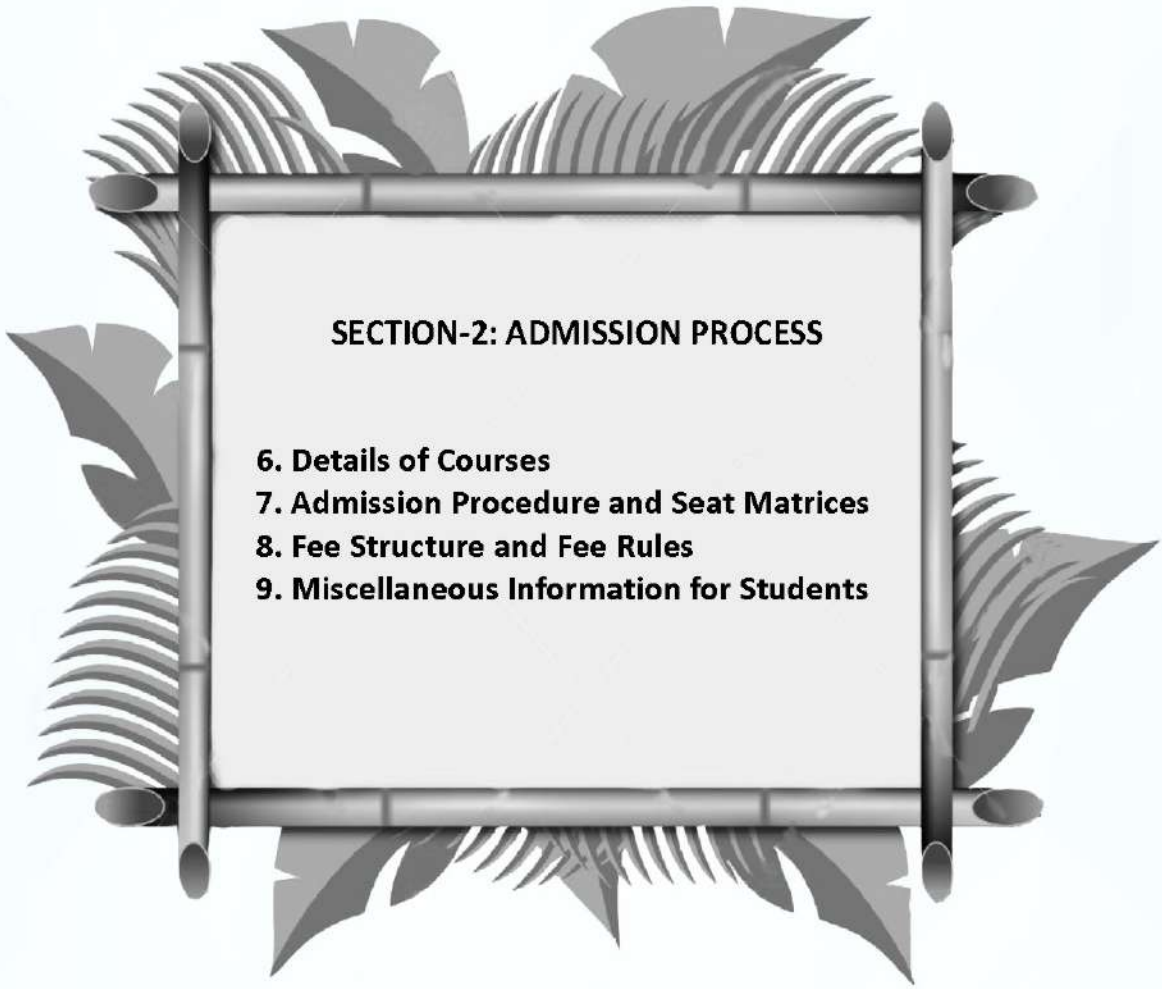

To pay tribute and take inspiration from life of great martyr Shaheed Bhagat Singh, Institute has established a society to organize the events related to great light house Shaheed Bhagat Singh under the guidance of Mr. K. Sunil Behal, Assistant Professor, Department of Applied Sciences and Humanities.

5.16: Internal Quality Assurance Cell (IQAC)

The IQAC of the university has been formulated for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the University. The formulated IQAC serves to channelize and systematize the efforts and measures of an institution towards academic excellence. The IQAC of the University has the Vice Chancellor, Dr. Susheel Mittal as the ex-officio Chairperson, Dr. Pankaj Kalra -Director IQAC as the Member Secretary, three eminent external experts comprising of Industrialists & Academicians of the region, the Registrar, the COE, Deans (Academics, Students Welfare, Affiliations & approvals, R & D, Planning & Development), and President IIC as members. The formulated IQAC is working out intervention strategies to remove deficiencies and

enhance quality, to establish & effectively implement an effective quality system encompassing teaching, research, consultancy, continued education and also focus on the core and support functions to ensure accountability to stake holders through self-evaluation and continuous improvement. The committee functions for quality enhancement through internalization of quality culture and institutionalization of best practices. It aims to promote various Quality Assurance activities through innovative teaching practices among the staff and staff development, NAAC, NBA Accreditation, organize relevant Seminars, Workshops, Industrial and Educational visits for students.

7. Admission Procedures and Seat matrices

7.01 M. Tech / Ph.D

The University offers ACTE approved full time Post Graduate programmes (M.Tech) in various disciples of engineering as indicated in Table 2.1 which also depicts the number of cents criteria. Seats are allotted based on the merit of B-Tech marks and the choices of the students. The students are allotted seats as per merit.

Ph. D. Programmes:

The institute offers Ph. D. Programmes in the disciplines of Engineering, Sciences, Humanities & Management and Computer Application as listed below.

- Computer Sci. & Engg
- Electronics & Comm. Engg
- Mechanical Engg
- Chemical Engg
- Mathematics
- Psychology
- Management
- Computer Applications
- Environment Science & Engineering

The admission to Ph. D. Programmes is made through entrance examination conducted by SBSSU and subsequent interviews. The schedule of the entrance examination/ counseling, admission criteria, rules and regulations of Ph. D. is notified by SBSSU on its website www.sbssu.ac.in time to time. 7-day NSS camp concludes at Shaheed Bhagat Singh State University

PUNJAB EXPRESS BUREAU
Ferozepur, March 17

A seven-day National Service Scheme (NSS) camp concluded at Shaheed Bhagat Singh State University, Ferozepur, under the guidance of the Director Youth Services, Chandigarh, Assistant Director Youth Services, Ferozepur Jaspal Singh, the Ministry of Youth Affairs and Sports, Government of India, and the Vice-Chancellor Dr Suresh Sharma. During the camp, students actively participated in various social service activities, demonstrating a strong sense of responsibility towards society. Volunteers conducted cleanliness drives on campus and in nearby villages, organised tree-planting campaigns, and held rallies to raise awareness of drug de-addiction and health issues.

Expert lectures and workshops were also held on topics including environmental protection, road safety, and social issues. Prominent speakers included Dr Suresh Sharma, Dr Rameshwar Katara, Deepak Sharma (Patron, Mayank Foundation), Charanjit Singh, and Gurjeevan Singh.

The valedictory ceremony was graced by Dr Tejit Singh, Director of the Rao Virender Singh State Institute of Engineering and Technology, Rewari, as the chief guest. He congratulated NSS Programme Officers Rahul Chopra, Gurjeevan Singh, and Jasvir Chand on successfully organising the camp and emphasised that such initiatives help combat social evils.

Vice-Chancellor Dr Suresh Sharma and Campus Registrar Dr Gazalpreet Singh also lauded the efforts of NSS Coordinator Dr Bohar Singh, Block Samiti Member Harwant Singh Bhullar, programme officers, and students.

Martyrs' Day observed with patriotic fervour at Shaheed Bhagat Singh State University

HARISH MONGA
PUNJAB EXPRESS BUREAU
Ferozepur, March 23

A solemn and inspiring function was organised at Shaheed Bhagat Singh State University to commemorate Martyrs' Day, paying rich tributes to the nation's great freedom fighters.

The event was presided over by Vice-Chancellor Dr Suresh Kumar Sharma, while noted scholar and President's Award recipient Dr Rameshwar Kattara graced the occasion as the chief guest. The programme was successfully conducted under the guidance of Dr K. Sunil Bahl, Coordinator of the Shaheed Bhagat Singh Society, and Navdeep Kaur Jhajj, Co-Coordinator, who also anchored the event effectively.

The ceremony began on a spiritual note with Gurbani Kirtan rendered by Sanamdeep Kaur. Gauravdeep Singh delivered an insightful speech highlighting the life and ideology of Bhagat Singh. A moving poem recited by Nishu and soulful singing by Anmoldeep Singh captivated the audience.

Cultural performances added vibrancy to the programme. A choreography titled "Pranam Shaheedan Nu" by Alamjeet Singh Sandhu and team evoked patriotic emotions, while a mime act "Kurbani Di Goonj" by Mayank Parmar and team beautifully portrayed the sacrifices of martyrs. A skit presented by Lovepreet Singh and his team also drew appreciation.

एसबीएस स्टेट यूनिवर्सिटी और महात्मा गांधी राज्य लोक प्रशासन संस्थान के बीच एमओयू

एमओयू पर हस्ताक्षर के बाद उपस्थित वाइस चांसलर, निदेशक।

भास्कर न्यूज़ | फिरोजपुर

शहीद भगत सिंह स्टेट यूनिवर्सिटी और महात्मा गांधी राज्य लोक प्रशासन संस्थान के बीच शैक्षणिक और संस्थागत सहयोग को मजबूत करने के उद्देश्य से एक महत्वपूर्ण समझौता ज्ञापन (एमओयू) पर हस्ताक्षर किए गए। ये समझौता यूनिवर्सिटी के वाइस चांसलर डॉ. सुरेश कुमार शर्मा और संस्थान के निदेशक एवं आईएएस अधिकारी अमित ढाका द्वारा औपचारिक रूप से हस्ताक्षरित किया गया। इस अवसर पर यूनिवर्सिटी के रजिस्ट्रार डॉ. राजीव अरोड़ा और डीन अकादमिक डॉ. राजीव गर्ग भी उपस्थित रहे। वहीं संस्थान की ओर से एग्जीक्यूटिव डायरेक्टर गुलशन और जीएम कर्नल दलबीर सिंह भी कार्यक्रम में शामिल हुए।

चंडीगढ़ स्थित महात्मा गांधी राज्य लोक प्रशासन संस्थान एक स्वायत्त संस्था है, जो राज्य सरकार, विभिन्न बोर्डों, निगमों तथा अन्य संस्थानों के अधिकारियों और कर्मचारियों को उच्च गुणवत्ता की प्रशिक्षण सेवाएं प्रदान करता है। इसके साथ ही ये संस्था लोक प्रशासन, जन नीति और सुशासन के क्षेत्र में शोध, मूल्यांकन और परामर्श सेवाएं भी उपलब्ध कराती है।

वहीं शहीद भगत सिंह स्टेट यूनिवर्सिटी द्वारा स्थापित एक प्रमुख राज्य विश्वविद्यालय है, जो उच्च शिक्षा के क्षेत्र में महत्वपूर्ण भूमिका निभा रहा है। एमओयू के तहत दोनों संस्थाएं मिलकर एक साझा ढांचा विकसित करेंगी, जो क्षमता निर्माण, बहु-विषयक शोध, जन-जागरूकता और तकनीकी सहयोग पर केंद्रित होगा। इस पहल का उद्देश्य लोक प्रशासन और कृषि विज्ञान जैसे क्षेत्रों में दोनों संस्थाओं की विशेषज्ञता का लाभ उठाना है। इसके अलावा दोनों संस्थाएं प्रशिक्षण और कौशल विकास के नए अवसर उपलब्ध कराने के साथ-साथ कार्यशालाओं, सेमिनारों और सम्मेलनों का संयुक्त रूप से आयोजन करेंगी।

डॉ. सुरिंदर सिंह कुक्कल और डॉ. वीके वर्मा ने रिमोट सेंसिंग और जीआईएस आधारित नए कोर्स शुरू करने को लेकर विचार-विमर्श में भाग लिया। इस समझौते को शिक्षा, शोध और प्रशासनिक दक्षता के क्षेत्र में एक महत्वपूर्ण कदम माना जा रहा है, जिससे दोनों संस्थानों के बीच दीर्घकालिक सहयोग को नई दिशा मिलने की उम्मीद है।

V-C SBSSU calls on Governor, outlines infrastructure, academic expansion

PUNJAB EXPRESS BUREAU
Ferozepur, January 31

The Vice-Chancellor, Prof. (Dr) Suresh Sharma, along with the Registrar, Dr Gazal Preet Singh, called on His Excellency, Gulab Chand Kataria, Governor of Punjab and Chancellor of the University at Punjab Lok Bhavan, Chandigarh.

During the meeting, detailed and meaningful discussions were held on the overall development of the University, key developmental initiatives, and the future growth roadmap of the institution. Special emphasis was laid on strengthening academic quality, infrastructure, innovation, and the University's expanding role in regional and national development.

During the meeting, the University leadership apprised His Excellency of several critical infrastructure and development requirements essential for the holistic growth of the institution. These included the need for repair and carpeting of the Main Campus Double Road, repair and reconstruction of the damaged boundary wall, construction of a dedicated auditorium to support academic, cultural, and official functions, and the construction of a dedicated guest house to facilitate visits of dignitaries, academic experts, and officials.

The need for repair and renovation of existing washrooms, construction of additional washroom facilities across the campus, and comprehensive whitewashing and maintenance of academic blocks, hostels, and residential quarters was also highlighted to ensure a safe, hygienic, and conducive learning and living environment.

SAEL selects 10 SBSSU students in Agri-Placement Drive

PUNJAB EXPRESS BUREAU
Ferozepur, September 8

Sukhbir Agro Energy Limited (SAEL), a Ferozpur-based company known for its pioneering work in sustainable infrastructure and renewable energy solutions, conducted a campus placement drive at Shaheed Bhagat Singh State University (SBSSU), Firozpur. The drive targeted B.Sc. Agriculture students graduating in 2023, 2024, and 2025.

The selection process included a pre-placement talk, a written test, and interview rounds. Following a rigorous evaluation, the company selected 10 promising students. Among the selected candidates were Inderjeet Thakur, Vikramjeet Singh, Sujan Kaur, Beant Singh, and Lovepreet Sharma, along with five other talented individuals.

On this occasion, Prof. (Dr.) Sushil Mittal, Vice-Chancellor of SBSSU, congratulated the CDC team and the selected students. He praised the students for successfully navigating a competitive selection process, highlighting their competence and readiness for industry roles.

Dr Mittal also emphasised the university's ongoing commitment to inviting reputed companies for placements and providing quality employment opportunities to youth in the border region. University PRO Yashpal shared that Prof. Gazalpreet Arneja, Campus Registrar, appreciated the efforts of the Career and Development Cell team, including Coordinator Dr. Tejeet Singh, Co-Coordinator Er. Inderjeet Singh Gill, and Er. Ritesh Uppal. She extended heartfelt congratulations to the selected students and their families, wishing them a bright and prosperous future.

Dr Tejeet Singh assured that the university will continue its dedicated efforts to facilitate student placements in the coming years, strengthening the bridge between academia and industry.

सर्किट डिजाइन पर तकनीकी वर्कशॉप आयोजित

भास्कर न्यूज़ | फिरोजपुर

डॉ. बलविंदर सिंह को सम्मानित करते वाइस-चांसलर डॉ. सुरेश कुमार शर्मा व अन्य।

शहीद भगत सिंह स्टेट यूनिवर्सिटी में तकनीकी शिक्षा को व्यावहारिक आयाम देने की दिशा में एक महत्वपूर्ण पहल के तहत इलेक्ट्रॉनिक्स एंड कम्युनिकेशन इंजीनियरिंग और इलेक्ट्रिकल इंजीनियरिंग विभागों द्वारा संयुक्त रूप से एक दिवसीय इंटरएक्टिव वर्कशॉप का आयोजन किया गया। "सर्किट डिजाइन, सिमुलेशन और टेस्टिंग यूजिंग फ्री सिमुलेशन सॉफ्टवेयर" विषय पर केंद्रित इस कार्यक्रम ने छात्रों को आधुनिक तकनीकी कौशल से जोड़ने में अहम भूमिका निभाई।

वाइस-चांसलर डॉ. सुरेश कुमार शर्मा के मार्गदर्शन में आयोजित इस वर्कशॉप को अकादमिक समन्वय और नवाचार का सशक्त उदाहरण माना जा रहा है। कार्यक्रम की शुरुआत सहायक प्रोफेसर नवदीप कौर झज्ज ने करते हुए वर्कशॉप के उद्देश्य और महत्व पर प्रकाश डाला। उन्होंने बताया कि आज के प्रतिस्पर्धी दौर में केवल सैद्धांतिक ज्ञान पर्याप्त नहीं, बल्कि व्यावहारिक समझ भी उतनी ही जरूरी है।

मुख्य वक्ता के रूप में पहुंचे डॉ. बलविंदर सिंह धालीवाल का विश्वविद्यालय प्रशासन द्वारा औपचारिक स्वागत किया गया।
