Decision: The proceedings of the 6th meeting of Academic Council were confirmed as no comments have been received from any member of Academic Council.

Action: No action is called for.

Item No. 7.2 To report action taken on the decisions of the 6th meeting of the Academic Council

Decision: The action taken report was approved by Academic Council (AC).

Action: No action is called for.

Item No. 7.3 Ratification of changes in academic regulations of the college

Decision: The item was approved as proposed with following modifications,

- a) For every subject, the percentage of numerical portion to be included in the external question paper should be mentioned in the syllabus by the respective Board of Studies (BOSs).
- b) The grade A should be given to the students getting marks more than 85% and to the students at the most top 5% of the class.
- c) It was also unanimously decided that the remuneration of Rs. 2500/- month should be fixed for Dean Academics

Action: The decision has been implemented.

Item No. 7.4 Review of the courses running in the institute

Decision: The item was approved as proposed with modification that the intake of B. Tech. Mechanical Engineering (First shift) should be reduced from 180 to 120.

Action: The decision has been implemented.

Item No. 7.5 Amendments in the punishment rules for unfair means cases.

Decision: The item was ratified as proposed.

Action: The decision has been implemented.

Item No. 7.6 Application of Grades of MRSPTU to 2015 batch from 2nd year onwards

Item No. 7.7 Ratification of decisions taken in HODs meeting held on 18/7/2016 under the chairmanship of chairman academic council regarding grading system

Decision: The item was ratified as proposed.

Action: Decision implemented.

Item No. 7.8 Ratification and Approval for change in Industrial training and project marks and credits of 2015 batch

Decision: The item was ratified as proposed with the modification that for Project -1 the internal assessment will be 60 marks and external assessment will be 40 marks.

Action: Decision implemented.

Item No.8.3: Approval of the recommendations of the committee constituted by BOG regarding start the new courses and review of existing courses in the institute.

A committee was constituted in the 8th meeting of BOG for giving its recommendations for closure of unpopular courses and starting of popular courses in order to enhance the revenue.

In this regard the committee had a number of sittings with Hon'ble Director, Dean Academics and other key institute functionaries. The committee has also gone through the AICTE guidelines for closure of institutes that have less than 30% over all admissions. Keeping in view the prevailing admission scenario, as communicated by Dean Academics to the committee and future projections, the committee has given the following recommendations:

- 1. Restructuring of intakes of various programmes:** Keeping in view the admission seen in B. Tech programmes, the committee has proposed that the intake of disciplines wherein the admissions are poor, may be reduced. Like seats in Mechanical Engineering may be reduced to 120 from 180 by closing 2nd shift. Similarly in CE, the intake may be 90 instead of existing 120. The present intake is MCA and BCA is 60 each that may be reduced to 30 each as the admission scenario in both the programmes is not good. Further, in reference to M. Tech courses, the committee, however, felt that the institute may go ahead with the existing intakes of these programmes keeping in view the academic and research interests for overall growth of the institute.
- 2. Starting of new Programmes:** The committee has proposed that following new programmes may be introduced in the

institute for increasing the revenue and usage of the existing infrastructure and human resource.

- (i) M.Sc programmes in Physics (Laser & Fibre-Optics), Chemistry/Industrial Chemistry, Mathematics & Computational Science
- (ii) PG Diploma programmes in Computer Application, Paint Technology, Polymer Processing, Agricultural Machinery and MEMS
- (iii) BSc Programmes: Physics, Chemistry, Maths, Computer Science and Agriculture
- (iv) Short Term Local Need Based Programme: Office Automation, Foundry, Sheet Metal, Machining (Lathe, Drilling etc) and interior designing.

The matter is presented before Academic Council for consideration and approval.

Item No. 8.4: Regarding payment of postage to external paper setters.

The academic council had approved the examination process for the institute in its 3rd meeting held on 28/08/15 vide item number 3.4. As per the approved system, 10% question papers have to be set by external paper setters and the remuneration rates had been approved in this meeting. The rate of remuneration had been fixed as Rs 1000/- per question paper for external paper setters. No provision had been made for paying the postage to the external paper setters. Non-payment of postage charges is resulting in bad image for the institute.

It has been observed that postage charges are about Rs.60/-. Keeping this in view, it is proposed that remuneration of external paper setters may be increased to Rs. 1100/- per question paper instead of paying them extra postage charges.

The matter is presented before Academic Council for consideration and approval please.

Item No. 8.5: Approval for the requirement of writer in theory examinations.

During the course of various examinations sessions held by the institute, it has been found that some students are medically unfit to write the theory examinations, so they demand a writer for theory examinations. The institute had faced this situation twice.

The institute has dealt with these cases as per the procedure enumerated below:

1. The student has to approach the Director with the written request for providing a writer during theory examination(s).
2. The director shall constitute a committee consisting of:
 - a) Head of the concerned department
 - b) COE/Nominee of COE
 - c) Nominee of the Director
3. The student shall provide the following documents to the committee
 - i.* Medical Certificate from a competent doctor.
 - ii.* Affidavit by the candidate that the writer is not related to the candidate and fulfils the condition that the writer is less qualified than the student.
 - iii.* A certificate from the Principal/Head of the institution certifying that the writer is a bonafide student of the institution.
4. Thereafter, on the recommendation of the committee, approved by the Director, the concerned candidate may be provided with the writer, under intimation to Centre Superintendent.

In the abovementioned process, the following modifications are proposed:

The committee constituted by the Director may consist of:

- a) Head of the concerned department
- b) COE/Nominee of COE
- c) Senior faculty member of concerned Department (Nominee of the Director).

For the documents to be submitted to the committee, following changes are proposed:

1. Affidavit may be replaced with self- declaration as students face undue harassment in getting Affidavit.
2. Additionally, identity proofs of concerned student and writer should be submitted.

The matter is presented before Academic Council for consideration, ratification and approval please.

Item No. 8.6: Ratification of compilation of result of 2016 batch (First Year) using branch-wise calculation

In the 7th academic Council meeting held on 14/10/16 vide agenda item No. 7.6, it was decided to implement MRSPTU grading system for 2016 batch onwards as well as on 2015 Batch second year onwards. However, it was not clear in MRSPTU grading system whether they have compiled the results branch-wise or subject-wise. Therefore, a letter no. SBS/FZR/ODA/1024 dated 20.02.2017 had been sent to MRSPTU for seeking clarification, but we didn't get any reply.

In this regard, a meetings of HODs were held on 25.01.2017 and 29.03.2017 to decide these issues. In these meetings of HODs, it was decided that:

1. The results are compiled for various semesters by excluding the data of students who have Unfair Means Cases against them. Thus, the mean and standard deviation of a given subject excludes the data of such students. In accordance with the decisions taken by the standing committee for Unfair Means cases, for declaring the results of the affected students; the mean and standard deviation of a given subject will remain unaltered i.e. the data of such students will not be included.
2. For 2015 and 2016 detainee students, instead of mentioning detained, letter R, denoting retained due to shortage of attendance, will be used, in accordance with the grading system of MRSPTU Bathinda.
3. In the past, the results of 2015 batch had been compiled branch wise. Also from 3rd semester onwards the results are to be compiled branch wise. So, the first year results have been compiled branch wise.
4. As per MRSPTU rules, absolute grading system is to be followed if the number of students is less than 30. Otherwise relative grading system is applicable. Keeping this in view the absolute grading system has been applied to B Tech CHE, EE as the student strength is lower than 30 in the first year.

5. For these branches mentioned in point no. 2, after the admission of LEET students, the applicable grading system may be revised from absolute grading system to relative grading system, in case the total student strength exceeds 30 in 3rd semester including the LEET admissions.
6. Except for the change in grading system mentioned in point no. iii, the applicable system will remain the same for a given branch/course during the rest of the study period of this batch.
7. Dean academics had been requested to intimate MRSPTU Bathinda about the implementation of this decision.

The Minutes of HODs meetings dated 25.01.2017 and 29.03.2017 are placed as **Annexure II Page No. 32** and **Annexure III Page No. 33**.

Further, it is also proposed to compile the reappear results branch wise by using the most recent values of mean and standard deviation of regular examination calculated in the current session or the immediate preceding session (as the case may be).

It is proposed:

1. To ratify the above said decisions taken in HODs meeting 25.01.2017 and 29.03.2017.
2. To approve the process for compilation of reappear results as proposed above.

Item No. 8.7: Ratification of using terms SGPA and CGPA in place of SPI and CPI respectively in declaration of examination result

As approved in the 3rd Academic Council meeting held on 28/8/15 vide agenda Item No.3.14, the institute has implemented credit and grading system on 2015 batch onwards. The semester performance is measured in terms of Semester Performance Index (SPI) and Cumulative Performance Index (CPI). These two indices are calculated as weighted mean in a semester for SPI and for all courses registered till date for CPI. All the results have been declared for 2015 batch onwards using this terminology.

These results from November 2015 onwards have also been notified by MRSPTU Bathinda from time to time. However, recently MRSPTU Bathinda had mailed a format of DMC for consideration and approval (**Annexure IV, Page No. 34**). Accordingly, a meeting of HODs, DA and Examination Cell was held on 18/7/17 (**Annexure V, Page No. 35**) to approve the format and following decisions were taken:

1. On minutely checking the format, it is found that MRSPTU is using the term Semester Grade Point Average (SGPA) instead of Semester Performance Index (SPI) and Cumulative Grade Point Average (CGPA) instead of Cumulative Performance Index (CPI). The terms SPI and CPI are being used by the institute.
2. The calculation procedure for SGPA is same as that for SPI, similarly calculation of CGPA and CPI are same. So, the terms SGPA and CGPA are synonymous of SPI and CPI.
3. Further, the institute has adopted the MRSPTU grading system for 2016 batch onwards.
4. Keeping in view the above mentioned facts, it is recommended that to avoid confusion, the terms Semester Performance Index (SPI) and Cumulative Performance Index (CPI) be replaced by Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) respectively.
5. The students may be notified about this change of terminology.

The matter is presented before Academic Council for consideration and ratification please.

Item No. 8.8: Paper setting by faculty appointed on 11 month basis-regarding

A meeting of HODs, Dean Academics and Examination Cell was held on 19/9/17 regarding paper setting and other issues. The Controller of Examination apprised the members about the implication of decision taken in 3rd IQAC meeting held on 9/2/17, regarding paper setting to be done by the faculty members other than regular faculty members (**Annexure VI, Page No. 36**). The members deliberated on the issue and following decisions have been taken:

1. Wherever possible, regular or contractual faculty members should be engaged in question paper setting. It is mandatory for all regular faculty members to set question papers of their subjects, whether regular or reappear.
2. Faculty on consolidated basis for setting question papers, if needed, will be chosen by the respective Head of Department based on the teacher's sincerity and integrity. The concerned HOD shall be responsible for quality of question papers set by them.
3. If some regular faculty member sets question paper for the subjects being taught by faculty on consolidated basis, he/she may be paid an honorarium of Rs 1000/- provided the number of question papers set by him/her exceeds 05 in a session, subject to approval by Academic Council of the institute.

The matter is presented before Academic Council for consideration and approval please.

Item No. 8.9 To approve the payment of Rs 20/- per student for conducting the Viva Voce for the external examiners and internal examiners for the following subject in the School of Architecture for B. Architecture.

As decided in the meeting of Board of Studies of School of Architecture, the viva voce of following subjects is to be conducted by the external jury.

Sr. No.	Semester	Subject
1	2nd	Architectural Design – II
2	3rd	Architectural Design – III
3	4th	Architectural Design – IV
4	5th	Architectural Design – V
5	6th	Architectural Design – VI
6	8th	Architectural Design – VII
7	9th	Architectural Design – VIII

It is hereby proposed that in order to attract the eminent architects for conduct of viva voce of B. Arch students, payment for external/internal examiners Rs 20/- per student should be made applicable.

This is placed before the Academic Council for consideration and ratification please.

Item No. 8.10: Award of grade to international students enrolled for one semester/ short period at the institute level

Shaheed Bhagat Singh State Technical Campus, Ferozepur has made a Memorandum of Understanding (MoU) with NHL University of Applied Sciences, Leeuwarden, the Netherlands in June 2015 effective for a period of three years with the aim of international academic cooperation concerning education, research, student and staff exchanges, and other areas which would be beneficial to both parties.

Under the above mentioned MoU, two students of Communication & Multimedia Design Department, NHL University of Applied Sciences, Leeuwarden, the Netherlands applied to SBSSTC, Ferozepur for one semester course in the even semester (Jan.–May, 2017). Their applications were acceded to and were enrolled in SBSSTC, Ferozepur on 20.01.2017 in the even semester.

They completed their course of one semester and appeared at the end semester examination in May 2017. Their results were declared by SBSSTC, Ferozepur (since Academic Autonomy has been granted to SBSSTC, Ferozepur by UGC). On the basis of their performance, grades were awarded to them and subsequently notified on the letter head of the institution (SBSSTC, Ferozepur).

In future also, more international students may enroll themselves for one semester/short period at SBSSTC, Ferozepur. After completion of their course at SBSSTC, Ferozepur, their results/ grades will be declared at SBSSTC, Ferozepur level only.

This is placed before the Academic Council for consideration and ratification please.

Item No. 8.11: Registration of 2015 batch students to 5th Semester-regarding

It was decided in the in the 7th Academic Council meeting of SBSSTC that institute will follow the grading system of MRSPTU for 2016 batch. It was also decided that the same grading system will be followed for the students of 2015 batch from second year onwards.

Now the MRSPTU had amended its rules in the 2nd Academic council meeting related to credit scheme, which are placed at **Annexure VII Page No. 37 to 38**. Therefore as per the decision of the 7th Academic council meeting of SBSSTC, these amended decisions will be applicable to the students of 2015 batch and 2016 batch of SBSSTC.

However, in the above decision it was observed that due to change of our University from IKGPTU, Jalandhar to MRSPTU, Bathinda students were confused about the eligibility condition for getting themselves registered in 5th Semester. Since CBCS was implemented in MRSPTU during the session 2016-17, accordingly it was clear for the students admitted during 2016-17. But the other students admitted before 2016-17 were confused. It was decided in the meeting of AD, HODs, DA with the Director to give one time relaxation to all such students that they will satisfy the eligibility condition before registering in the 6th semester. A copy of the minutes of meeting dated 5/9/2017 is placed as **Annexure VIII, Page No. 39**.

Further it was also decided that undertaking should be taken from all such students that they will satisfy the eligibility condition before registering in the 6th semester. This decision will be implemented subject to its ratification in the next meeting of the institute Academic Council. Further, it was decided that it will be the responsibility of the HOD to ensure the implementation of University rules before registering the students in the respective semesters.

The matter is presented before the academic council for consideration of the above said decisions taken in HODs Meeting dated 05.09.2017 and approval please.

Item No. 8.12: Ratification of Proceedings of Board of Studies of Various Departments of SBSSTC

1. The meetings of the BOSs of Chemical Engineering Department were held on 28.10.2016 and 30.05.2017 in the office of HOD. The proceedings of these meetings of BOSs of Chemical Engineering Department are placed at **Annexure IX Page No. 40 and Annexure X Page No.41.**
2. The 3rd meeting of the BOS of Computer Science Engineering Department was held on 13.06.2017 in the committee room of Mechanical Block. The proceedings of 3rd meeting of BOS of Computer Science Engineering Department are placed at **Annexure XI, Page No. 42 to 43.**
3. The 3rd meeting of the BOS of Electrical Engineering Department was held on 28.11.2016. The proceedings of 3rd meeting of BOS of Electrical Engineering Department are placed at **Annexure XII, Page No. 44.**
4. The 3rd and 4th meetings of BOS of Electronics and Communication Engineering Department were held on 3.01.2017 and 12.06.2017 in the office of HOD. The proceedings of these meetings of BOS of Electronics and Communication Engineering Department are placed at **Annexure XIII Page No. 45 to 48 and Annexure XIV, Page No. 49 to 50.**
5. The 3rd meeting of the BOS of Civil Engineering Department was held on 15.06.2017. The proceedings of 3rd meeting of BOS of Civil Engineering Department are placed at **Annexure XV, Page No. 51.**
6. The 3rd meeting of the BOS of School of Architecture was held on 31.05.2017 in the conference hall of D Block. The proceedings of 3rd meeting of BOS of School of Architecture are placed at **Annexure XVI, Page No.52.**

Proceedings of the meetings of Board of Studies of various departments mentioned above are put up before Academic Council meeting for considerations and ratification please.

Item No. 8.13: Approval for Constitution of new Board of Studies for various departments for further two years

As per the guidelines of UGC, the Board of Studies (BOS) for various departments of the institute were constituted for two years in 4th meeting of Academic Council held on 19.10.2015.

As the term of BOS is going to expire, therefore, in continuation of this the following composition of the Board of Studies as per UGC guidelines, for various departments of the institute are proposed for further two years:
